National Outreach Programme

The National Outreach Programme (NOP) is a scholarship established in 2001 at LUMS. Its singular aim has been to bring together the brightest minds from all over the country to study at Pakistan's premier institution with full scholastic aid. We travel to far-flung towns and the most prominent cities across all provinces of the country to inform eligible applicants of the NOP Summer Coaching Session (SCS), which is the first step towards attaining the scholarship for undergraduate studies at LUMS.

With the NOP, a lack of financial resources will never be a barrier to achieving your dreams of academic excellence!

Eligibility Criteria

- Students who score at least 80% marks in Matric or equivalent in O-Levels.
- Those who have a need for financial assistance for their education.

NOP encourages applications from students who are passionate about pursuing higher education only in the undergraduate programmes offered at LUMS.
