How to Apply

Students who meet the eligibility criteria can apply through the following process:

STEP 1 – Application Process

Students apply to NOP when they are in the first year of Intermediate or A-Levels. This will be two years before the start date of the undergraduate programme at LUMS. Students attending the coaching session in 2021 will be able to join in 2022. You can fill out your online application at https://nop-scs.lums.edu.pk

STEP 2 – Summer Coaching Session

Shortlisted candidates will be called in for a two-week long summer coaching session at LUMS to experience university life and prepare for the SAT. The session will be arranged during the summer holidays and all expenses, except traveling will be covered by LUMS. Attending the session does not guarantee admission or scholarship award.

STEP 3 – SAT Registration

LUMS will pay the one-time SAT registration fee of candidates who successfully complete the summer coaching session and meet all academic and scholarship parameters.

STEP 4 - LUMS Admission Form

Successful NOP summer coaching session candidates then fill an online application for admission to LUMS along with other regular students at https://admissions.lums.edu.pk/. Qualifying students who meet the set academic and scholarship benchmark will become LUMS NOP Scholars!

IMPORTANT DETAILS

- There are no separate seats/quota for students based on region, ethnicity and/or extra-curricular activities.
- Students must meet and exceed BOTH points of the eligibility criteria in order to be shortlisted for the NOP SCS.
- Coaching session attendees will be examined through different exercises and tests and successful candidates will be registered for the Scholastic Aptitude Test (SAT), completely paid for by LUMS.
- All students, irrespective of whether they apply directly or through the NOP programme, are evaluated on the same admission criteria.
- While assessing financial need, a review committee ensures transparency in the process of awarding scholarships to all those who qualify for admission.
