

Important Details

There are no separate seats/quotas for students based on region, ethnicity and/or extra-curricular activities.

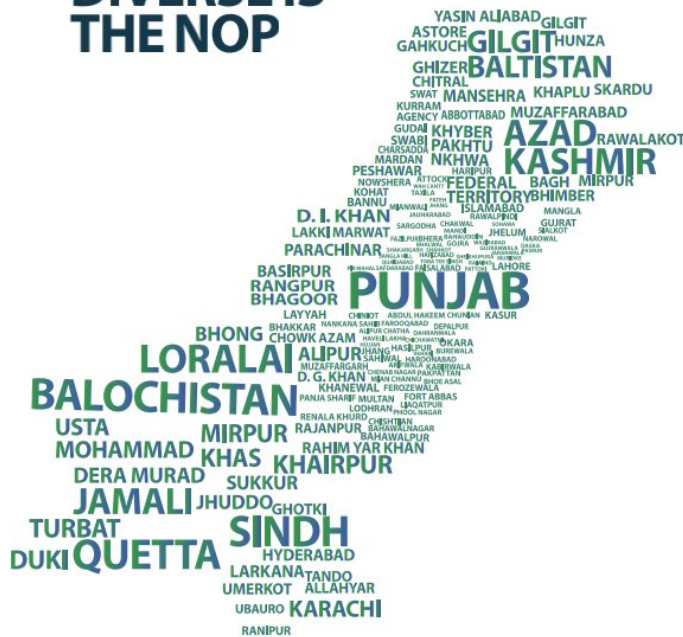

Students must meet both, eligibility criteria in order to be shortlisted for the NOP Summer Coaching Session.

Coaching session attendees will be examined through different exercises and tests and successful candidates will be registered for the LUMS Aptitude Test that is completely paid for by LUMS.

All students, irrespective of whether they apply directly or through the NOP, are evaluated on the **same admission and financial need evaluation criteria.**

While assessing financial need, a review committee ensures transparency in the process of awarding scholarships to all those who qualify for admission. This process is carried out annually throughout a student's study tenure at LUMS.

NATIONAL OUTREACH PROGRAMME (NOP)

What is the National Outreach Programme (NOP)?

Hope, perseverance and determination is what it takes to become a LUMS NOP scholar. The prestigious NOP Scholarship was established in 2001 and its sole aim has been to bring together the brightest minds from all over the country to study at Pakistan's premier institution on full scholastic aid. We travel to the smallest villages and largest cities across all provinces to inform eligible applicants about the NOP Summer Coaching Session, which is the first step towards attaining this scholarship for your undergraduate studies. With the NOP, lack of financial resources will never be a barrier to achieving your dreams of academic excellence!

Who Can Apply?

You are eligible to apply if you have:

- At least 80% marks in Matric or equivalent in O-Levels
- A need for financial assistance to pursue higher studies

How to Apply

Students who meet the eligibility criteria can apply through the following process:

STEP 1 – Application Process

Students apply to the NOP when they are in the first year of Intermediate or A-Levels. This will be two years before the start date of the undergraduate programme at LUMS. Students attending the Summer Coaching Session (SCS) in 2022 will be able to join in 2023. You can fill out your online application at <https://nopscs.lums.edu.pk>

STEP 2 – Summer Coaching Session (SCS)

Shortlisted candidates will be called in for a two-week Summer Coaching Session (SCS) at LUMS to experience university life and prepare for the University's Aptitude Test. The session will be arranged during the summer holidays and all expenses, except travelling costs, will be covered by LUMS. Attending the session does not guarantee admission or scholarship award.

STEP 3 – Test Registration

LUMS will pay the one time Aptitude Test registration fee for candidates who successfully complete the Summer Coaching Session and meet all academic and scholarship parameters.

STEP 4 – LUMS Admission Form

Successful Summer Coaching Session candidates then fill an online application for admission to LUMS along with other regular students at <https://admissions.lums.edu.pk/>. Qualifying students who meet the set academic and financial evaluation benchmark will become LUMS NOP scholars!
