# National Outreach Programme

The National Outreach Programme (NOP) at LUMS aims to extend the benefits of a world-class education to talented students from all over Pakistan. We travel to far-flung areas across the country to inform eligible applicants of the NOP Summer Coaching

Session (SCS), which is the first step towards attaining the scholarship for your undergraduate studies. NOP assures that lack of financial resources will never be a barrier to achieving your dreams of academic excellence!

### Who Can Apply?

- If you have at least 80% marks in Matric or equivalent in O-Levels
- If you have a need for financial assistance to support your education

### How Students Who Meet the Criteria Can Apply

#### Step 1 – Application Process

Candidates apply to the NOP Summer Coaching Session (SCS) when they are in the first year of Intermediate or A-Levels. Students attending the coaching session in 2023 will be able to join the LUMS undergraduate programmes in 2024. They can fill out their online coaching application at [nopscs.lums.edu.pk](http://nopscs.lums.edu.pk).

#### Step 2 – Summer Coaching Session (SCS)

Shortlisted candidates will be called in for a two-week-long SCS at LUMS during the summer holidays to experience campus life and prepare for the University's Admission Test. The session will be funded by LUMS except for travelling expenses. Attending the coaching does not guarantee admission or scholarship award.

#### Step 3 – Test Registration

LUMS will pay the one-time admission test registration fee of candidates who successfully complete the SCS and meet all academic and scholarship parameters.

#### Step 4 – LUMS Admission Form

Successful NOP SCS candidates then fill an online application for admission to LUMS through the link: [admissions.lums.edu.pk](http://admissions.lums.edu.pk). Qualifying students who meet the set academic and financial evaluation benchmark will become LUMS NOP scholars!

#### Important Notes

There are no separate seats/quotas for students based on region, ethnicity, religion and extra-curricular activities. All students are evaluated on the same admission and financial need evaluation criteria.
