# NATIONAL OUTREACH PROGRAMME

The LUMS National Outreach Programme (NOP) aims to extend the benefits of world-class education to talented students from all over Pakistan. We travel to far-flung areas across Pakistan to inform eligible applicants of the NOP Summer Coaching Session (SCS), which is the first step towards attaining the scholarship for your undergraduate studies. With the NOP, the lack of financial resources will never be a barrier to achieving your dreams of academic excellence!

## Eligibility Criteria:

- Students who have scored at least 80% in Matric or O-Levels.
- Students who require financial assistance for their education.

## Steps to Apply:

NOP encourages applications from students passionate about pursuing undergraduate programmes offered at LUMS. Eligible students can follow this process:

### 1. Apply to the NOP Summer Coaching Session (SCS)

- Students can apply to the NOP SCS in the first year of Intermediate or A-Levels.
- Students attending the 2027 SCS will be eligible to join LUMS undergraduate programmes in 2028.
- Apply online at: **nopscs.lums.edu.pk**

### 2. Spend Two Weeks at LUMS

- Shortlisted candidates will be invited to a two-week SCS at LUMS to experience university life and prepare for the LUMS Common Admission Test (LCAT).
- The session will take place during summer holidays, and all expenses except travel will be covered by LUMS. Note: Attending SCS does not guarantee admission or a scholarship.

### 3. Apply for LUMS Admission

- Successful SCS participants who wish to pursue undergraduate programmes at LUMS must fill out the online admission form: **admissions.lums.edu.pk**
- LUMS will cover the one-time admission application and test registration fees for all successful SCS candidates.
- Students who meet the academic and financial evaluation criteria will be selected as LUMS NOP scholars!

### Important Notes

- There are no separate seats or quotas based on religion or ethnicity.
- All students, whether applying directly or through NOP, are evaluated using the same admission and financial aid criteria.
